Tork Hygiene Stand and Foam Sanitiser

Think ahead.

*2013 SCA/BuzzBack study in UK, USA, France and Germany

Tork Hygiene Stand

Promote hygiene to staff and visitors by providing hand sanitiser and facial tissues close at hand on this stylish stand.

- Attractive, robust design complements modern office fit-outs
- Flexible solution as three sided stand fits Tork Image Design or Tork Elevation manual or hands-free sensor dispensers
- AD-a-Glance feature allows you to customise your messages and encourage hand hygiene

Well-suited to open plan offices and reception areas

Tork Foam Sanitiser

Improve hygiene with a highly effective foam sanitiser that is easy to spread. Compatible with Tork Image Design or Tork Elevation manual or hands-free sensor dispensers.

- Highly effective kill rate of 99.99% of bacteria
- Contains moisturising agents to keep hands soft and supple
- Ease of use with non-sticky formula that has good foam density and spreads easily across hands

Tork Alcohol Gel Sanitiser and S1 Dispensers also available

Remember clean hands are the No.1 key to staying healthy

Hand hygiene is the single most important measure to minimising the risk of getting sick. Encouraging your employees and visitors to sanitise their hands regularly is both good for your business and a smart way of showing that you care.
