

Is your skincare system leaving the wrong impression?

Convey a caring and professional washroom image

Key benefits:

-  High capacity dispensers offering up to 3000 shots per refill
-  Suitable for children and the elderly
-  A wide variety of soap types and choice of formulations.
-  Sealed and collapsible bottles improve hygiene and reduces cross contamination – better for staff, guests and the environment.

Tork Skincare

Offering high quality skincare shows that you care for your customers, guests and staff. However, finding products you can trust isn't always easy. What if you could get a skincare system from the same, reliable supplier as for the rest of your washroom needs to convey a consistently caring image?

Tork Elevation Line	Tork Image Design Line	Skincare Accessories
